Schedule

Climbing Times, Starting list and Event Schedule will be posted only once registration is closed.

Session climbing times **cannot** be determined until final registration numbers are available by category. (Sorry, it's just not possible the way the Regional Championship works) Competitors should plan on a full day event, beginning as early as 7:30 and ending as late as 6:00. Please see the format information below.

Full Schedule and Starting List to be posted by 12/5

Regional Championship Format

The Bouldering Regional Championship shall be a single round, onsight competition, six (6) problems per age category. Competitors will have a four (4) minute climb time with a 60 second transition time per boulder problem.

At a single round championship event, a “rolling isolation” may be utilized. With a rolling isolation, each age category is assigned an “isolation check-in time.” Competitors may report into isolation prior to their category’s assigned check-in time, but, no later than their category’s assigned time.

Competitors may not enter the competition venue prior to checking-in to isolation. At the discretion of the Chief Judge, failure to report by the assigned check-in time or evidence of the competitor having entered the competition venue before such time, outside of the isolation zone, may result in the disqualification of the competitor.

There will be a **Technical Meeting** on Saturday morning for USAC Certified Coaches.

IMPORTANT NOTE: Due to Rolling Isolation a full rules meeting will **NOT** be held. Please be familiar with the [RULEBOOK](#).
